The background is an isometric illustration of a study desk. On the desk, there is a laptop with a blue screen showing a person's face. To the left of the laptop is a stack of four books in blue, pink, brown, and purple. A red desk lamp is positioned to the left of the laptop. In the foreground, there are two pens (one pink, one blue) and a small white eraser. To the right of the laptop is a yellow graduation cap. In the background, there is a chalkboard with a chemical reaction diagram and the equation $\text{CH}_3\text{N}_3 + \text{F}_2 \Rightarrow \text{CHF}_3 + (\text{NH}_3)_2$. Behind the chalkboard is a large, multi-story building with many windows.
